

## **April 2009 Newsletter**

### **Registration On-Line**

Registration for Lake and Trails Inaugural Youth Outdoor Camp October 1-4, 2009 is on line at [www.lakeandtrails.org](http://www.lakeandtrails.org). Due to the overwhelming interest in our October Camp, we are predicting a sell-out. If you know of any interested adults/youth, please let them know to register early, as we will have limited space available for 1<sup>st</sup> year youth who will need Hunter's Safety Course. If there are youth who have already taken the Hunter's Safety Course, they will be placed in a more advance 1<sup>st</sup> year program. For youth who have attended a similar program, there is a space to indicate on the registration form which program they have attended and how many years attended. As this is our first camp, we have limited the number of youth to 200 in all.

### **Registration Fees**

Registration fees for our Youth Outdoor Camp include only Camp Fees. Lake and Trails Organization has had several fundraisers (SCSA raffle at Ox Roast; Clays and Clams Sporting Clays; Cleveland Sport, Travel and Outdoor show donated booth and Air Rifle Raffle; Grants and donations from Corporate Sponsors, Sportsmen's Clubs and individuals) to pay for ammunition and needed supplies for the camp. As ammunition expenses rise, if there are those out there who would like to make a donation, please contact us.

### **Sponsoring Clubs**

For our Supporting Clubs, if you let us know ASAP, we will reserve spaces available for your youth. There is an area on the registration form for the individuals to indicate that you are the Supporting Club and who to be in contact with from your Organization. We will expect payment from your Organization by August 31, 2009, as we intend to pay Todd Davis, Director of FFA Camp, in full on final day of camp. After August 31, 2009, individuals will be responsible for their own payment at camp or spaces will be released and opened up to other individuals. Contact Karen Metzker, President, at 330-725-8747 or [Karen@lakeandtrails.org](mailto:Karen@lakeandtrails.org) for questions or concerns.

### **Corporate, Club and Individual Sponsors**

Please review our Sponsors Page on our website. We have been adding new sponsors almost weekly now. If you would like to Sponsor youth at our Youth Outdoor Camp, make a donation of money for ammunition, equipment or other items for Youth Raffle, please let us know. Our Organization's mission is the education of youth with regards to outdoor shooting sports, outdoor survival skills and conservation education. We welcome new ideas for Clinics and Youth experiences.
